President's Message

It is my pleasure to write to you as your new President for the 2001-2003 term, with a sincere hope that you all had a great summer. It was a successful one for our organization, as our Golf Tournament in July enjoyed its annual festive spirit with fantastic weather and nearly 100 golfers participating. Special thanks to all of our sponsors and to George Cava, representing Molson Canada, who once again sponsored the putting contest. It was a great time had by all.

The Festa Italiana was equally successful for us. Despite the incredible hot weather, we served an equal amount of sausages and desserts to those who explored what the Italian

culture had to offer. A special THANK YOU to all those volunteers who worked at our booth and to all who provided the desserts, and gave of their time and effort. We also thank Dave Drew of Praxair Canada, who contributed the helium balloons that were given to the youngsters who visited our booth.

Our Fall Dinner will be held on October 4th at the Valhalla Inn. We are proud to have Dr. Livio Di Matteo as our guest speaker. Dr. Di Matteo, an Associate Professor at Lakehead University, has written numerous books and economic articles. He will provide an overview of the Canadian and Northwestern Ontario economies' current performance and spend some time on the issues of productivity and

North American integration.

Members in good standing will receive a complimentary ticket as part of their membership privileges. Additional tickets are available from any Board member at a cost of \$40.00 each.

Your attendance, interest and input measure the success of this organization. I encourage you all to attend and participate in all of our functions and take advantage of the networking opportunities afforded to you.

I look forward to seeing you all there.

Renato Pullia

An event in Thunder Bay that attracts 20,000 people in one weekend is definitely news. The success of this event would not be possible without the support of those that donate a great deal of their time.

We thank you, and hope to continue seeing you all at future events. A particular "Thank You" goes out to the Gran Sasso Club for their support, and to those that donated pastries: Cindy DiGregorio, Linda Gallo, Claudia Costanzo

8th Annual Golf Tournament

What a spectacular event this year's golf tournament turned out to be, which continued its annual success with 100 participants enjoying the activities well into the evening.

But all were kept cool, as the 'Communion Cart' made its usual rounds to all those willing to receive the game in spirit.

We are grateful to those who caught a glimpse of the game on their cameras, for there were many 'Kodak moments'.

We are also grateful to our many sponsors listed below, for whom there would not be any event without them.

Thank You!
